

## **PASBO Economic Stimulus Incentive for Two-Day Conferences**

To provide relief to your LEA professional development budget AND increase the reach of PASBO's two-day conference programs, PASBO offers a special economic stimulus incentive. Register one person for the full two-day conference and get a second two-day registration for another person from your LEA for half price. When you register the first person at the full price, you will receive a special discount code –You must provide this discount code at the time you register the second person to get the 50% discount.

### Additional Details:

- Both participants must be registering for the same full two-day conference and be from the same LEA. If a third person registers, the 50% discount will apply again for person #4.
- Registrations can be made online at <http://www.pasbo.org/workshopseries.asp> or by fax, phone or mail.
- You will receive a discount code that will appear on your online registration screen and be included in the email confirmation you receive. The discount code must be provided at the time the second registration is made to get the 50% discount.
- The member status of the individual will determine if the member or non-member price applies. The 50% discount can be applied to either the member or non-member fee.
- This incentive can be used concurrently with the 5% Early Bird/Online Payment discount – you must register and pay online with a credit card 21 days prior to the workshop date to qualify for the early bird discount.
- Pre-paid coupons can be used for the first full price registrant. Coupons cannot be used for the 50% discount registrant.
- Best Customer Rewards Cards cannot be accepted for two-day conferences, but your attendance will earn 3 credits that can be used for single day workshops.
