

March 5, 2010

Dear School Administrator:

Section 351 of the Taxpayer Relief Act, the act of June 27, 2006, Special Session1, P.L. 1873, No.1, requires each taxing body, including school districts, to submit tax information on an annual basis to the Department of Community and Economic Development (DCED).

In order to facilitate this process and reduce costs and the paperwork burden for your office and ours, DCED has made the 2010-2011 School Tax Information Form available on line and we request that you utilize the online form for e-filing. **DCED will no longer be mailing paper copies of the 2010-2011 School District Tax Information Form.** This action is designed to save both time and money for Pennsylvania's school districts and taxpayers.

DCED would like to thank those school district administrators who have e-filed the Tax Information Form in the past.

If your school district is not currently registered to e-file the Tax Information Form, DCED encourages you to file your paperwork electronically. There are several advantages to your school district for filing electronically:

- E-filing provides a way to instantly and accurately transmit your DCED form, thereby reducing filing time and errors for school district officials.
- E-filing provides your school district with easy access to current and previously e-filed DCED forms.
- E-filing can save you time and postage costs and improve the accuracy of the information being submitted.

You may begin accessing your school district's on-line Tax Information Form on May 1, 2010. Any school districts having withholding changes for the 2010-2011 school year, must submit forms on-line by June 1, 2010 in order to be included in the Official EIT/PIT/LST Register that will be released on June 15. This register will be the basis, for withholding tax purposes, for taxes that are effective on or before July 1. If there are no withholding changes for the 2010-2011 school year, the Tax Form is due June 15.

DCED recommends that school districts that have enacted, increased or repealed the EIT/PIT or that have made changes to the LST, but have not adopted final real estate tax rates for FY

2010-2011 by June 1, submit their School District Tax Information Form with EIT/PIT or LST information to DCED, along with the corresponding resolution, by June 1, and after new real estate tax rates are adopted, submit an on-line amended School District Tax Information Form along with a copy of the signed resolution stating the new rates.
