

## PASBO Board Guiding Principles

1. Act in an ethical manner with the association's best intentions at the forefront;
2. Maintain confidentiality, ensuring that all board room discussions remain in the board room;
3. Be prepared for, participate in, and be thoughtful, intentional, honest in board conversations and communications;
4. Focus on solutions and decisions; once a solution or decision is reached, promote the consensus of the board;
5. Keep the board (strategic)/staff (operational) line clear and defined in all discussions and effort; and
6. Be respectful of PASBO staff and the executive director; direct all staff-related discussions to the executive director.
